Chief Executive's Update

**Sarah Jane Chimbwandira**

**Surrey Wildlife Trust**

Sarah Jane will talk about the highlights of the last year as well as the plans for restoring 30% of nature by 2030.

## Talks

Imagine a Nature Recovery Network that extends into every part of our towns, villages and countryside, bringing the benefits of a healthy natural world into every part of life. Flowers blooming along road verges, green roofs across towns, wildlife-friendly planting on new housing estates and whole communities gardening for wildlife.

Join us to explore our vision for Surrey and learn about how we can all feed in to deliver local nature recovery networks.
